

CIVITAS FORUM 2016

CIVITAS ANNUAL CONFERENCE | 28-30 SEPTEMBER | GDYNIA

SHAPING THE MOBILITY OF TOMORROW

Dear Sir/Madam,

The CIVITAS Initiative and its support action CIVITAS WIKI formally welcome the members of the press community to participate in the CIVITAS Forum Conference in Gdynia.

The theme of this year's Conference will be 'Shaping the mobility of tomorrow'. The focus is on sustainable urban mobility as an important driver to build an accessible and liveable city for all, as well as to constantly improve the quality of urban life. The discussions and exchanges of experiences will focus on sharing the physical and social space of the city to further define and implement innovative, smart and sustainable mobility solutions in European cities and beyond.

The city of Gdynia has always been an active participant in the CIVITAS programme and it is a leader in many sustainable mobility measures in Europe, providing an interesting and rich environment for the conference theme.

We would like to highlight some key benefits for visitors of the CIVITAS Forum Conference in Gdynia:

- Interesting and valuable results and practices presented;
- Remarkable keynote speakers, plenaries and special sessions on offer;
- Opportunity to engage more deeply with transport experts, politicians and policymakers;
- Participation of municipal stakeholders and administration of the City of Gdynia;
- Pleasant location, excellent accommodation and welcoming surroundings of Gdynia.

The Forum 2016 Plenary will host charismatic keynote speakers from national and local governments, the European Commission and recognised representatives at European and international level from contexts related to academia, research, and business. Also this year the programme will comprise a wide range of interesting sessions addressing different aspects of sustainable urban mobility and a number of workshops and training sessions.

CIVITAS FORUM 2016

CIVITAS ANNUAL CONFERENCE | 28-30 SEPTEMBER | GDYNIA

SHAPING THE MOBILITY OF TOMORROW

Moreover, the Forum programme includes six dynamic site visits that will offer participants the opportunity to discover Gdynia and its mobility measures. Lastly, the cocktail reception and conference dinner will provide plenty of networking opportunities.

The press kit includes the following items and documents:

- Media Programme
- CIVITAS Glossary for Journalists
- CIVITAS slides
- CIVITAS Plus II Leaflet
- CIVITAS Plus II Factsheet
- Latest Press Releases
- CIVITAS LOGOS / all combinations

Please do not hesitate to contact us for any questions or additional information (secretariat@civitas.eu).

We look forward to meeting you.

Kindest regards,

Tariq van Rooijen
(COORDINATOR CIVITAS WIKI)
