

THE CIVITAS SMILE ACHIEVEMENTS

WE'VE MADE URBAN TRAVEL ...

GREENER!

- + More cycling
- + Improved public transport
- + Better freight management
- + Smarter travel planning
- + Higher vehicle occupancy
- + Reduced congestion
- = **Greener travel**

In just four years, five European cities have worked together to implement fifty-one innovative transport measures. The results speak for themselves.

WE'VE MADE URBAN TRAVEL ...

CLEANER!

- + Lower CO2 emissions
- + Lower pollution levels
- + Cleaner engines
- + More renewable fuels
- + Lower vehicle mileage
- + Eco-driving
- = **Cleaner travel**

The CIVITAS SMILE project has shown how medium-size cities can lead the way in the provision and uptake of more sustainable modes of travel.
