

# A “platform” for loading/unloading bays

CiViTAS  
“quotes”

## “ Ghent

established an **institutional platform** to discuss how to facilitate distribution traffic  
4 new type of loading/unloading bays  
-80% in abuse rate in parking thanks to improved visibility and control

Lesson learned:

**Frequent control** on the use of loading spots is crucial. **Free 15 minutes** parking ticket facilitates control. Differences between ordinary parking spaces and loading spots should be made **physically clear**.
