

Share to be less car-dependent

CiViTAS
“quotes”

“I think the **biggest change** that we’re seeing here is that people are choosing to **buy mobility** as opposed to just **buying a car**” Shelby Clark, CEO of Peers.org

Every single car stands idle in some parking space for **23 hours a day** on average

In industrialized countries **50% of car owners** would, in principle, share their vehicle with others
