Peripheral neighbourhoods ...

... are mobility challenging areas.

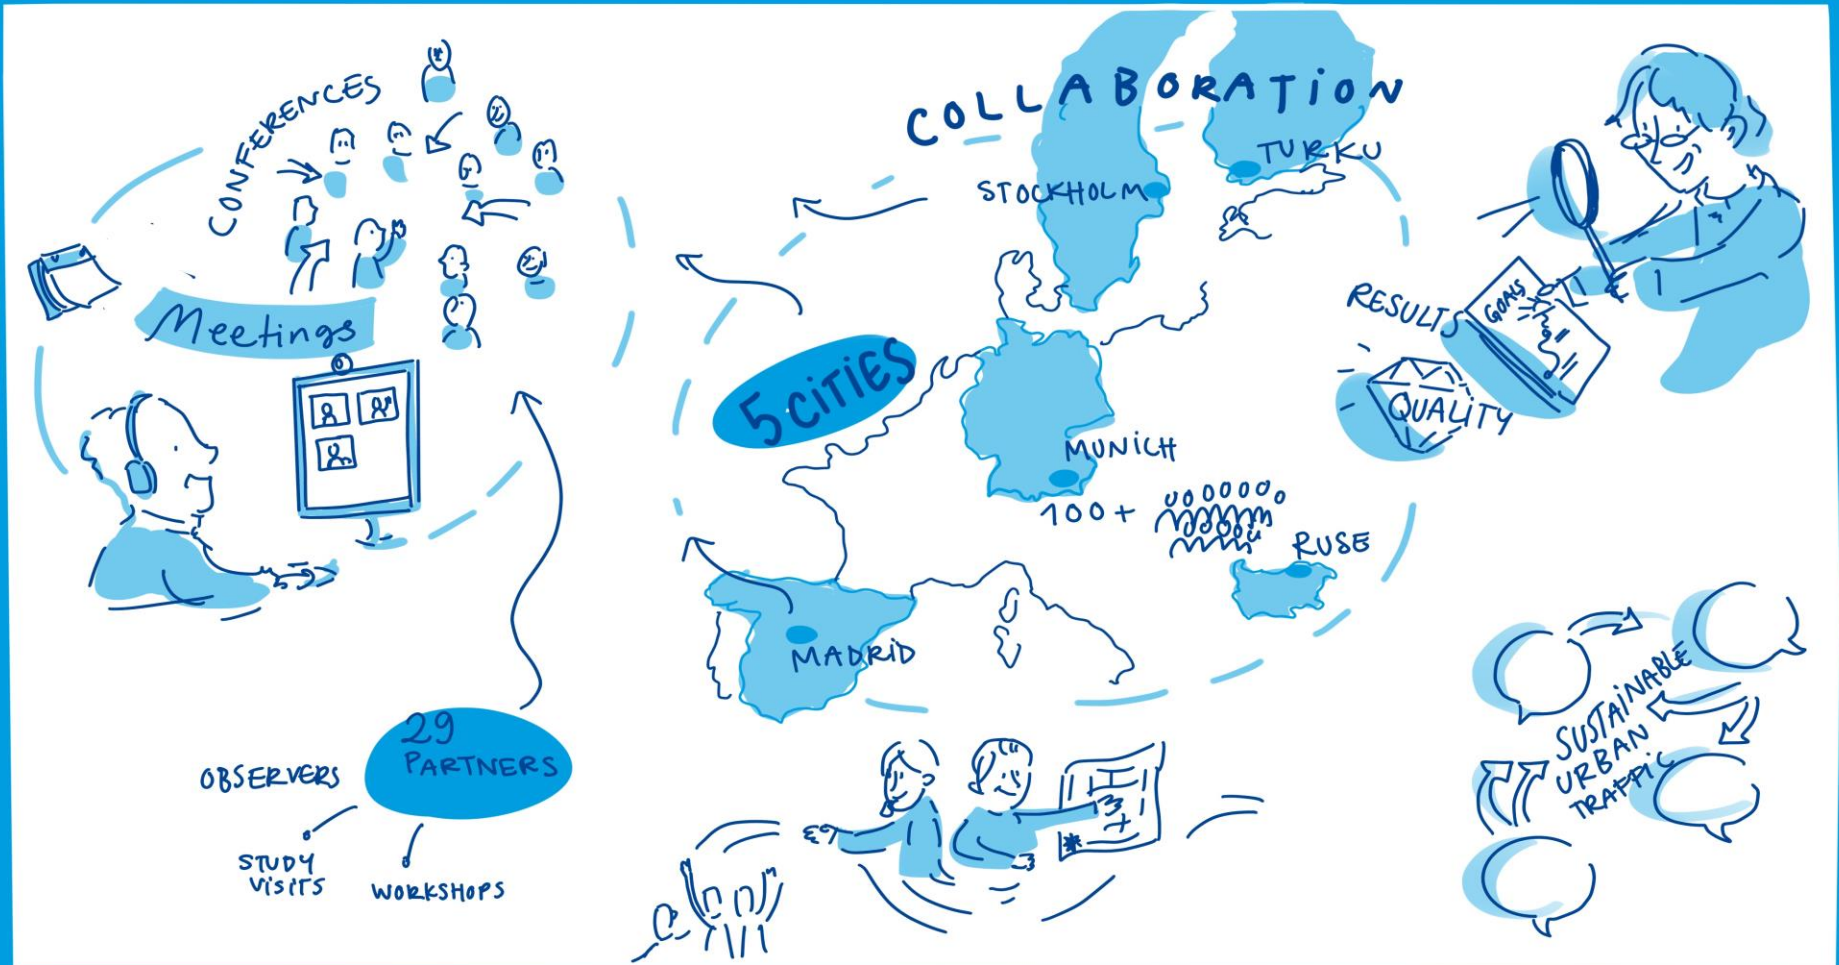

... and so is urban freight logistics.

Some of us came together ...

CIVITAS LIVING LABS ON STAGE

Discover 16 European cities making better living and moving a reality

... and used a non-standard approach

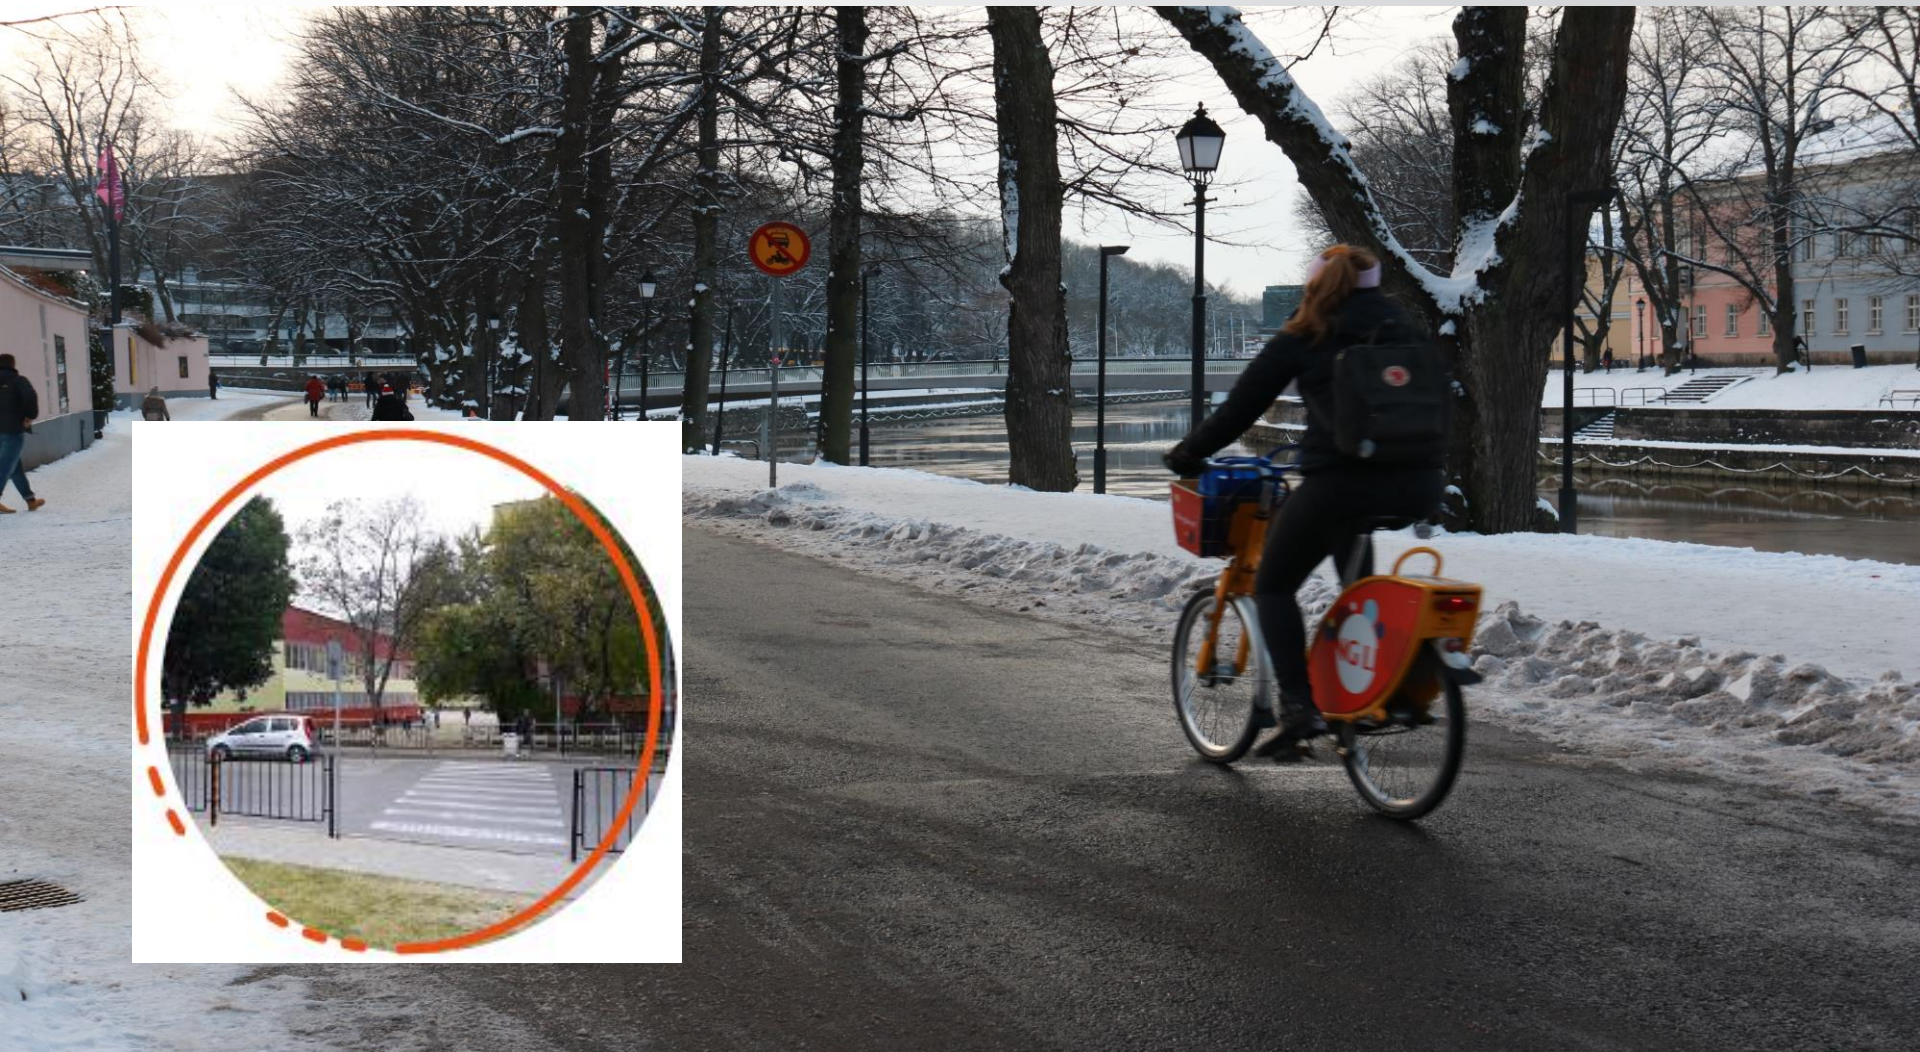

Focusing on co-creation and inclusiveness

Sustainable mobility to the Theater (MaaS)

Walking (and cycling) towards sustainability

Clean and efficient public transport

... and (together with) shared mobility

Clean vehicles: from infrastructure ...
