THE EUROPEAN UNION

# Mobility challenge

# Masterplan 2020

- 47 projects
- multimodal
- persons and goods
- 50/50 modal split

# Need for coordinated approach to keep the Antwerp region accessible

# Gathering key partners (2014)

**lantis**

## ... around a shared mission

### 2014: focus on transport and infrastructure

- Coordinate road work planning
- Increase road capacity
- Improve traffic flows on the main arteries
- Expand public transport
- Reduce congestion during rush hour
- Provide clear signage and travel information

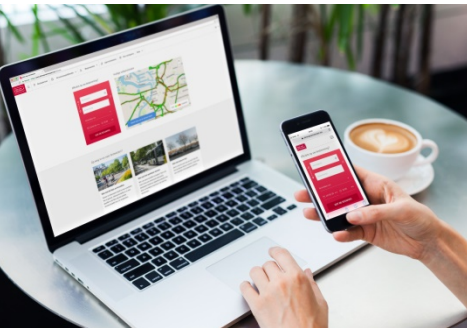

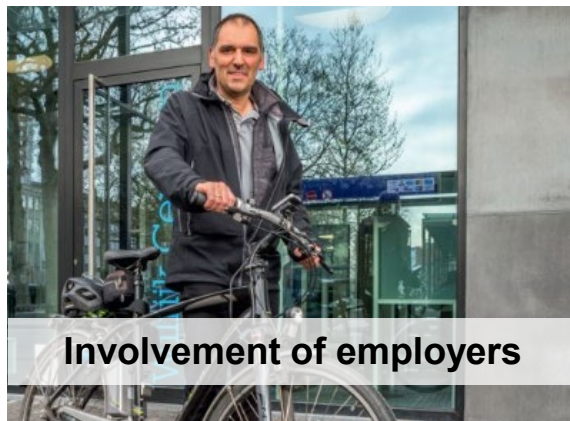

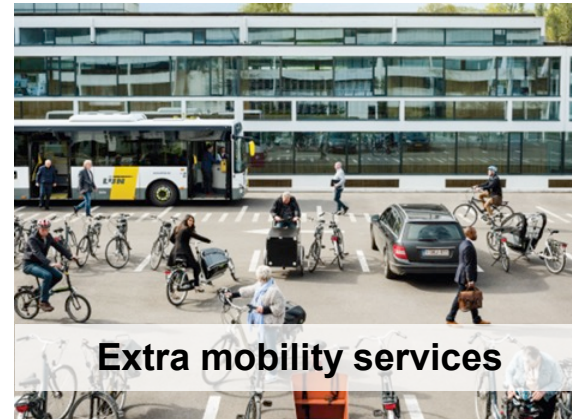

## ... around a shared mission

### 2017: focus on travelers and stakeholders

- Coordinate road work planning, signage and rerouting
- Communicate road works in an integrated way
- Expand the network and infrastructure for cyclists
- Provide **online travel advice** and support
- Cooperate with **employers and companies**
- Cooperate with **residents** in the areas around the road works
- Cooperate with private **mobility service providers**
- Work towards a **modal shift, time shift and mind shift**

# Strong soft measures

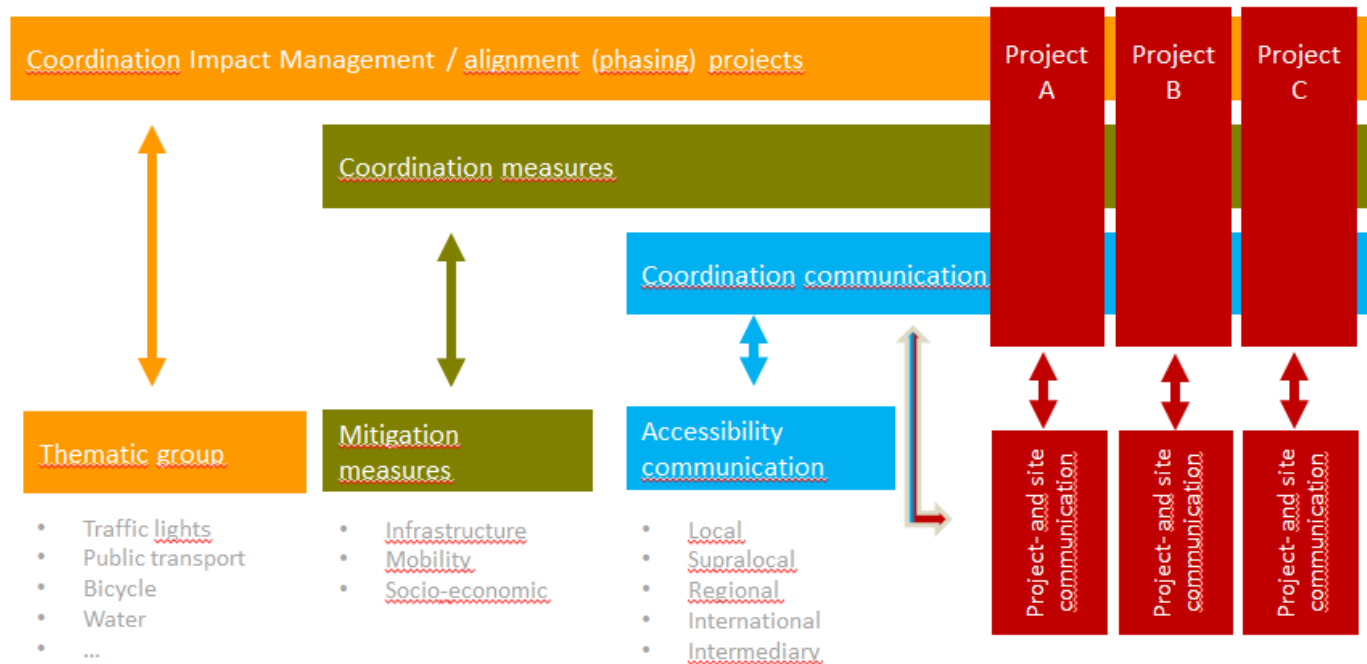

# Institutional dialogue

- Strengthening current cooperation platforms

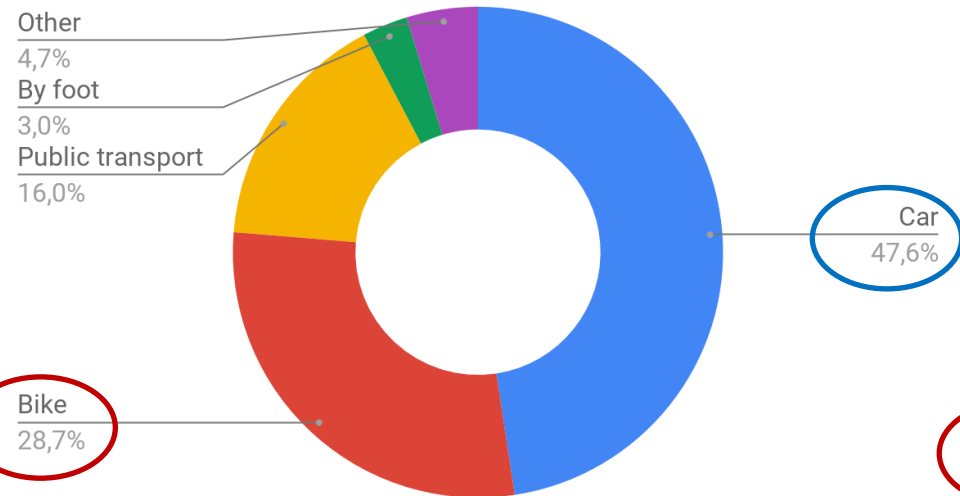

Ministerial steering group Impact Management

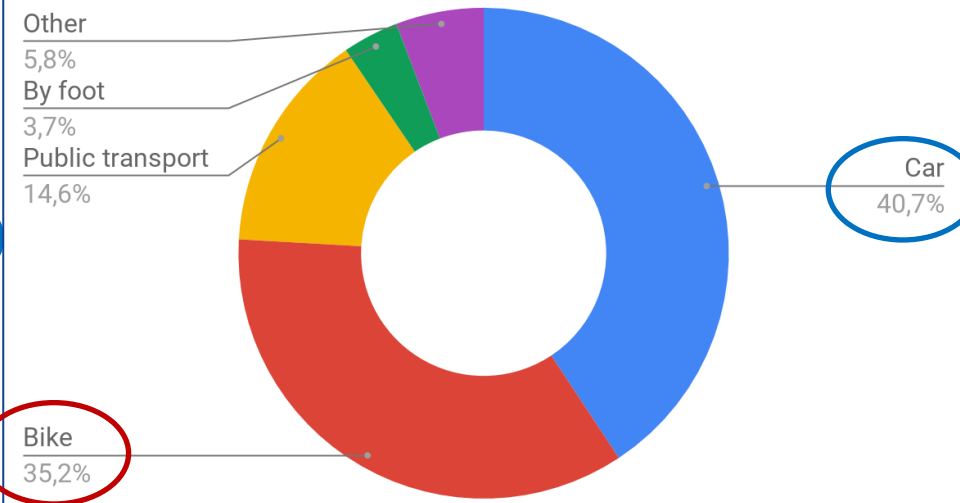

- Starting new cooperation platforms

# Modal split – inhabitants city of Antwerp

## Commuter traffic 2017

## Commuter traffic 2019
