EUROPEAN UNION

## About the Forum

The CIVITAS Initiative, established in 2002 by the European Commission, supports towns and cities with developing and implementing innovative measures in the field of sustainable urban mobility.

Its flagship event is the annual CIVITAS Forum Conference. Each year up to 500 participants drawn from a diverse community of policymakers, practitioners, academics, and city representatives come together to discuss

practical and policy-based solutions and their application at local level. This year's Forum is hosted by the City of Graz, Austria and is co-organised by the CIVITAS Secretariat.

## When and where

The CIVITAS Forum's 17<sup>th</sup> edition will take place from 2-4 October 2019 in Graz's [Congress Centre](#). The venue has a rich history as a concert and congress centre and is located in the heart of the historic centre of Graz.

Often used by the City of Graz for solo and orchestral concerts, the Congress Centre has various concert halls, stages, and conference rooms. Apart from being a venue for entertainment events, the 19 available rooms are frequently used for congresses and conferences that take place throughout the year, covering a wide variety of topics.

## Why the Forum?

The Forum is an ideal opportunity for projects, organisations, and business, be they larger in size or smaller start-ups, to interact with local, regional, and national government representatives, as well as delegates from European and international institutions. Being a Forum exhibitor enables you to showcase your company, project, or organisation's innovative mobility products, tools, and methods to this prestigious community.
