

CIVITAS Forum 2018: Accommodation and Travel

Reaching Umeå - Air Travel

The quickest and most common way to get to Umeå from abroad or the south of Sweden is by plane. It takes just under one hour to fly from Stockholm to Umeå.

Connecting flights - Stockholm ARLANDA to UMEÅ – transfers

There are (almost) no international flights to Umeå. You will need to fly to Stockholm Arlanda Airport and then connect to a domestic flight to Umeå.

At Arlanda, you will arrive in the International Terminal. After this, you must go through customs and pass through a new security control at the domestic terminal.

There are free buses at the airport which transfer you between the different terminals. It is also possible to walk between the terminals - this takes about 10 minutes.

Scandinavian Airlines (SAS) and Norwegian Air Shuttle operate several daily flights to and from Arlanda International Airport.

Malmö Aviation also offers frequent flights to Umeå from Stockholm Bromma Airport, another smaller domestic airport near Stockholm.

From Umeå airport to Umeå city centre

In advance of the event, all participants will be sent an email ticket that entitles them to two free trips with the airport bus between 16 - 23 September. Participants should print this out and bring it with them to show on the airport bus.

Please note - cash is not accepted on the bus. Most major credit/debit cards are accepted, except online cards such as Maestro or Visa Electron.

Taxis are also available for quick access to your desired destination in Umeå.

Arrive in Umeå sustainably!

For those flying into Umeå, why not test ride an e-bike into the city? The 4.3km journey will take less than ten minutes while your luggage will be brought on your behalf to your hotel. To take advantage of this free offer (arrivals only), register for one of ten e-bikes at: greenumea.se/en/sustainable-initiatives/cycle-from-the-airport

Train travel

SJ and Norrtåg offer a train service to Umeå. There are both day and overnight trains, with some connecting to bus lines. Umeå Central train station is located in the centre of the city.
